Rising To The Challenge – Even Stronger With HR.

We have seen Massive shifts to remote work, new health and safety guidelines, and increased furloughs. In 2020, HR professionals faced a new world we could not have imagined just a few months prior. Together we have risen to the challenge, making the companies we serve even stronger through our HR expertise.

Now is the perfect time to regroup and learn from one another, reimagine HR, and engage in thought leadership, innovation, and education. Our annual summit will help you do just that, and Johnny C. Taylor, Jr., SHRM-SCP, President and CEO of SHRM, will be the keynote speaker this year! Mark your calendars and join us virtually on Friday, October 23, 2020 for Rising to the Challenge – Even Stronger with HR. We look forward to spending an incredible day looking to the future of HR by learning and earning recertification credits. We know you're strong – join us to build new HR muscle at the Summit!

Johnny C. Taylor, Jr., SHRM-SCP
President and CEO of SHRM
